National Team	\$120.00	\$108.00	\$96.00	\$84.00

FREQUENTLY ASKED QUESTIONS

How do I know which group my swimmer is assigned to swim with? The coach assigns all swimmers to the appropriate training group at tryouts or at their first day of practice. Returning swimmers will be assigned to the same group as last season unless they have been contacted by the coach.

How do I get information about the team, meets, practice schedule etc.? The team website is the best source of information. All schedules, meet information, forms and changes are posted on the website [HYPERLINK "http://www.rockfordmarlins.com"](http://www.rockfordmarlins.com) www.rockfordmarlins.com

When does the swim season begin and end? The Spring/Summer season begins early September and ends late March. Summer season begins early April and ends late July.

What are the swim practice hours? Practice times vary depending on group. Please see the Marlins website (www.rockfordmarlins.com) for details.

What if my swimmer can not swim at the assigned time? Swimmers have to swim with their assigned group because each group's training structure is tailored to the level of the athletes. However, if a conflict arises please consult with the coach.

When are my fees due? Fees are due by the 1st of the month.

Is there a discount off fees if I have multiple swimmers? Yes, please see the registration package on the Rockford Marlins website.

Are my meet entry fees included with training fees? No, they are billed monthly.

What are the Marlin's fundraising activities? RMSC runs Raffle (bingo) as our fundraiser. Please visit the Marlin's website and [HYPERLINK "http://www.rockfordbingo.com"](http://www.rockfordbingo.com) www.rockfordbingo.com for details of our fundraising activity.

What if I am unable to volunteer for the Raffle Fundraiser? Your family will be charged an additional \$75 per month per swimmer.

If I have questions regarding my swimmer how should I communicate with the coach? You may email rockfordmarlins@yahoo.com. Please do not try to meet with the coach during practice since practice time is dedicated to the swimmers.

Am I allowed on the pool deck during practice or meets? No, for insurance and safety reasons only coaches and athletes are allowed on the pool deck during practice and meets. You can sit in the stands to watch practice or in the parent/spectator designated areas during meets. Also, do not talk to your swimmer(s) during practice because it is distracting to the athletes and coaching staff.

How do I sign up my swimmer for competitive swim meets? At the beginning of the season the swim meet schedule and sign up form will be posted on the website. Even if your swimmer is not active at the beginning of the season but wishes to compete later, please sign up now to avoid missing meet entry deadlines since they vary dependent on the host team. Entries are sent in 4-6 weeks before the meet and there are no additions once the entries have been sent in.

What if I have a friend or another child who is interested in swimming but who doesn't have competitive swimming experience? We welcome all new swimmers to the Rockford Marlins Swim Club and encourage them to try our team for a month free of charge. Please contact the coach for more information.

Our Coaching staff welcomes you to try a free two weeks of practice with us and experience the enthusiasm and commitment the Marlin's swimmers bring to the pool every day.
